# Joint Military Services' Retiree Appreciation Day (JRAD)

## Joint Military Services Retiree Appreciation Day (JRAD)

The JRAD is a non funded event of the Metro Area Joint Military Retiree Board. The event must "pay" its own way. When the event was small enough to use donated space, the cost was much less. Now that it has grown to over 700 participants, the only facilities that can accommodate the event are commercial facilities that are in business to make money. The cost of the event includes all room space (meeting, exhibit, and breakout), audio/visual support, continental breakfast, beverages during breaks, and lunch. Based on feedback of previous event attendees, the Retiree Board felt the Mystic Lake Casino-Hotel met all of our needs.

Seminar attendees can reach the ballroom by entering either through the hotel lobby, which avoids going through the casino operations area, or through the casino entrance.

The cost for the 2009 JRAD is **\$27.00** per person. The registration deadline is **10 September 2009**. Seating space at the Mystic Lake Hotel Conference facility is limited to 850. If registrations are received after the limit has been reached, the registration and checks will be returned. If the seating limit has not been reached by the day of the JRAD, walk-in registrations may be available at **\$35.00** per person. This increased cost is necessary to cover an additional 50% charge by the casino for last minute adjustments to meal count.
